

**Never did
a little road
construction get
in the way
of great
shopping.**

**We don't know what's worse.
The time it takes to fix a patch of pavement,
or the outfits on the workers.**

**We're over it.
Here's the secret passage:**

Take the "Port Washington Road" exit, off I-43

**Turn left between Starbucks and Ace Hardware
(that road is Towne Square Road).**

**Follow that road until you come to the next intersection.
Make another left (that road is Market Street).**

Market Street takes you right into East Towne Square!
